

# Library Provision for Collaborative Partners

Maria Follett – Researcher  
Engagement and Collections  
Manager [m.i.follett@ljmu.ac.uk](mailto:m.i.follett@ljmu.ac.uk)

Louise Makin - Academic Engagement  
Manager [l.makin@ljmu.ac.uk](mailto:l.makin@ljmu.ac.uk)

# Today's session

- LJMU library provision for collaborative partners
- What is available and how do I access it?
- Why e-resource access is different
- Making the most of open access resources
- Frequently Asked Questions
- Additional help and contacts

## Provision for collaborative partners

- What resources are available?
- How do I access them?

## LIBRARY

### LJMU Library

Your Library sits at the heart of LJMU. Our library buildings and spaces provide a welcoming, comfortable and inclusive environment to support your study and research. In addition to our on-site facilities and extensive digital library services, the Library team offers guidance on developing your skills for study or research.

**Partner institution students**

LJMU Library provides services and resources to students following our collaborative programmes though access may vary depending on the type of partnership arrangement.

More details about the services on offer and how you can access our resources are included below.

If you have a question about collaborative partner access, please get in touch with the [Academic Engagement Manager](#).

**Electronic resources**

# Multi-Factor Authentication

## Off-campus access

- Provides extra security
- Download the App or SMS/voice call prompt
- <https://www.ljmu.ac.uk/ithelp/user-accounts-and-security/multi-factor-authentication>

# Why is e-resource access different?

- E-resources include, ebooks, ejournals, edatabases
- Subscription not ownership
  - License limitations
  - Concurrent users
  - Geographical restrictions

- Where to find OA content
  - [Core](#) – search OA research papers from around the world  
[www.core.ac.uk](http://www.core.ac.uk)
  - [DOAJ](#) – Directory of Open Access Journals  
[www.doaj.org](http://www.doaj.org)
  - [Open Access Button](#) – looks for an alternative source when you hit a paywall  
[www.openaccessbutton.org](http://www.openaccessbutton.org)
  - [Unpaywall](#) – browser extension, search content from OA repositories and publishers  
[www.unpaywall.org](http://www.unpaywall.org)

# Common misconceptions

- The Library is the gatekeeper
- All books are available electronically
- Ebooks can be accessed from anywhere
- The Library turned off my access
- My course has been validated/revalidated so e-resource access will stay the same
- Open Access content is not of a high academic quality

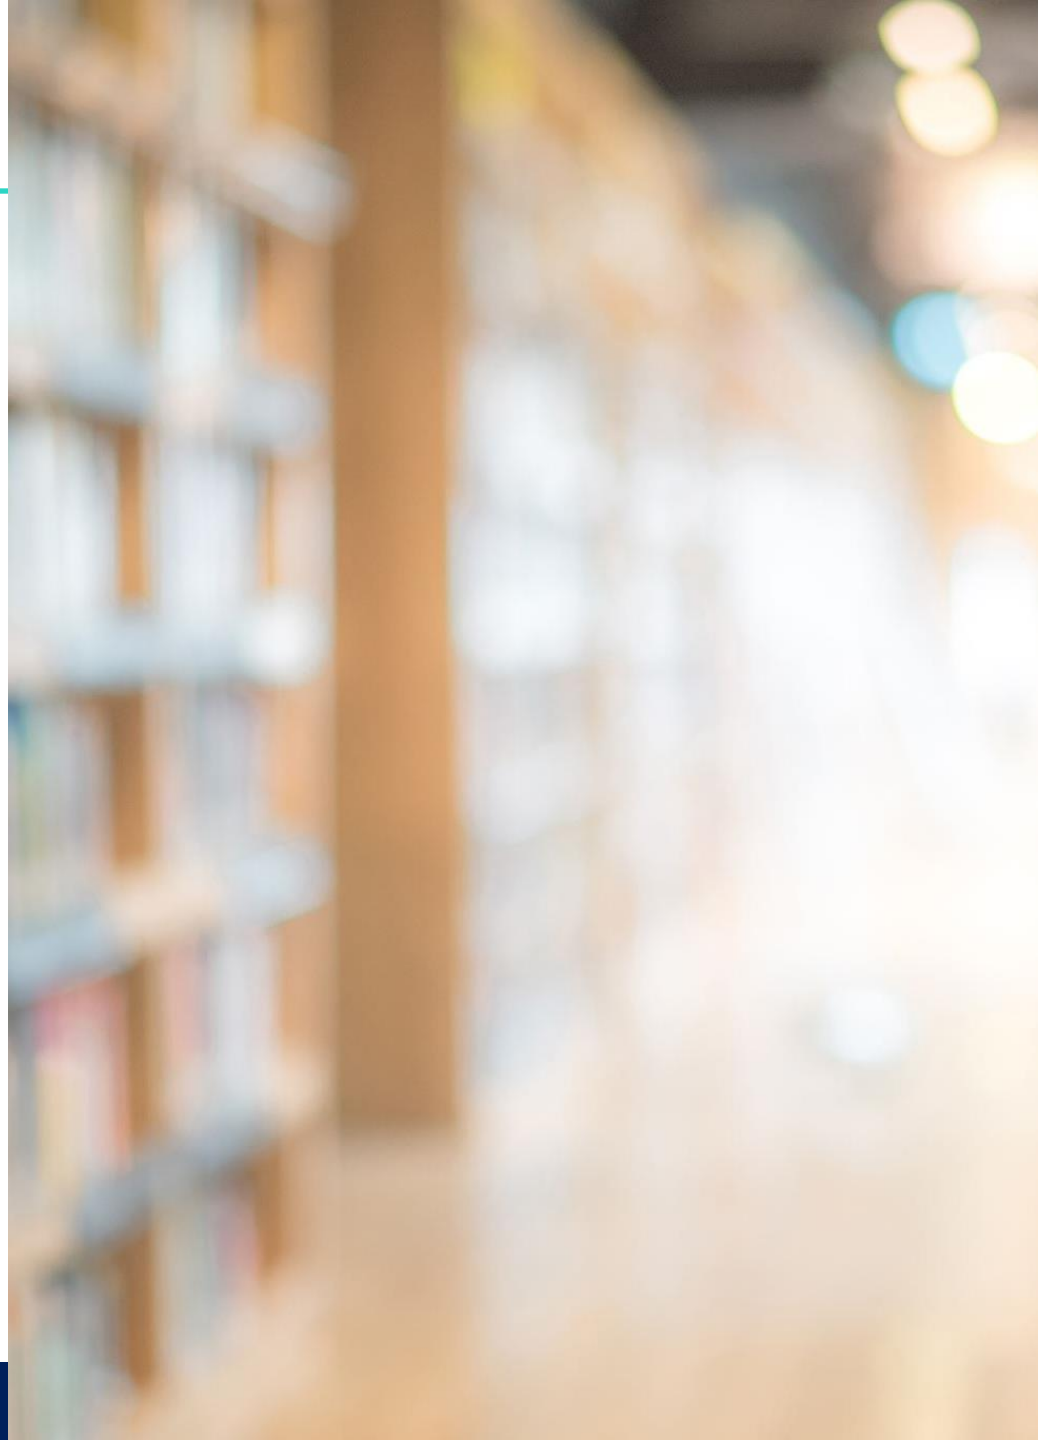

- Can my students use the SCONUL access scheme?
- Can you buy books/journals for my teaching?
- Is the InterLibrary Loan facility open to partners?
- I can't access resources, can you grant access?
- What study support is on offer for partner students?

## Seeking help and contacting the library

- Website FAQ
- Library 'Chat'
